

# Real Members. Real Results.

*"I have been a part of **go**performance for several years! Participating in the Adult classes has helped me achieve and maintain my fitness goals. Keeping up with my adult children during skiing, hiking, and biking has been a huge benefit. The incredible coaching staff at **go**performance as well as the camaraderie with others in the classes has been a highlight!"*

*~ Sherry Gossner  
**go**performance Member Since 2016*
